## Proverbs3 : 5-7

**Trust in the Lord with all your heart and lean not on your own understanding, in all your ways acknowledge Him and He will make your path straight**

## Camping Programme

We have just completed a full and busy time with our winter camping programme. Both the junior camps were well supported and created a cheerful noise around the property. The art camp used the theme of "White and Black, Light and Dark", a very easily implemented theme for the gospel message. Our Possum camp was full to capacity. Snow camp was also full and very popular.

We had just over 100 young people these holidays that heard the Gospel message. It was great to see the facility well used during the colder holiday period with fantastic leadership teams. Campers were co-operative and eager to join in with the camp programme and bible times.

Do pray for Gods Spirit to continue to bring to mind these bible truths taught at camp. I have a report from the caregiver of a challenging girl at camp, that she now wants a bible

## Council Update

In light of my recent resignation from the managers position, the council at their last meeting adopted a proposal to restructure the societies day to day operations.

This proposal differentiates management functions into separate areas. Two new positions are to be established, a Ministry Manager and a Facility Manager, with the current Residential Management Position being de-established.

This is a massive step of faith by Council that I am really heartened by and also challenged with.

Having someone full time giving their complete effort to the ministry side of our operation will really enhance our effectiveness in reaching the lost with the gospel. Our camp programmes and initiatives will be raised to a new level of enticement.

The Council is also committed to finding someone for this position before next April. They have offered the Facility manager position to myself and are currently awaiting my response.

The Lord is righteous in all His ways and loving toward all He has made. The Lord is near to all who call on Him, to all who call on Him in truth. Psalm 145 vs. 17 & 18

## Prayer Needs

Please continue to bring before the throne of grace:
