## SUMMER NEWSLETTER 2007

2 Corinthians ch. 8 : vs. 5

And they did more than we had hoped. They gave themselves first to the Lord and then to us in keeping with Gods will.

**WHAT** a privilege to be amongst such an awesome team this summer that was so committed to the Lords work. You could see the Hand of God presiding over our Camping programme. It has been a challenging time but revitalising being full of inspiration, support and fellowship. You feel so blessed to be part of such a vital ministry reaching into the lives of so many people. Christian Camping is an amazing evangelism tool for spreading the Gospel. Forming a temporary community such as a camp has many special features. Young people come here they build relationships in a non-threatening and independent setting, which gives room for God to touch their lives in a life changing way. Thank-you for your support by being an important part of this ministry. What God has called you to is special, vital, unique and effective.

**CAMPS** have been really effective this summer although numbers were down on previous years. The leaders testify to experiencing the Lords overruling and keeping in many situations. The weather has been great

for camping no sun burn, and still able to do the outdoor camp activities, it's been just like winter but with more daylight hours. We had campers in the lake or river most days canoeing,

Will you **PLEASE PRAY** for the Camp Facility and Programme for the coming year? We will covet your prayers.

- That we might be about our Fathers business.
- That all our efforts will be channelled in such a way that those on the property will want to know more about our Heavenly Father.
- That the young people who come to camp this term might be challenged from the Bible in an interesting, life changing way and may know Gods forgiveness and healing from sin.

On the **PROPERTY SIDE** we have grassed the newly levelled areas. A kind neighbour recently disced the cultivated paddock and hope to have a crop in soon. To make the office more accessible we are in the process of installing Broadband and our computer software that manages our address database and file system - it is eventually hoped to be able to access the file system from the main building which will be especially good for registering campers as they arrive, also as a result of the upgrade to broadband our new email address has become [info@cycwaihola.org.nz](mailto:info@cycwaihola.org.nz) - I encourage you to update your addressbooks with this new address .  
How about helping to **spring clean** the property in preparation for Family Camp? Let me know if you can help.

**FAMILY CAMP** is scheduled from Easter Monday 16 to Friday 20 April. Camp forms can be down loaded from our web site soon. Our Key speaker will be Ross Brightwell

**LASTLY**, let me encourage you to join us on **CYC STUDY/FAMILY DAY FEBRUARY 24 2007**. Do plan to join with us.

# STUDY DAY PROGRAMME

10.00 am	Alan Kerr
10.45 am	Morning Tea
