

Catch up with CYC

Spring Newsletter, November 2017

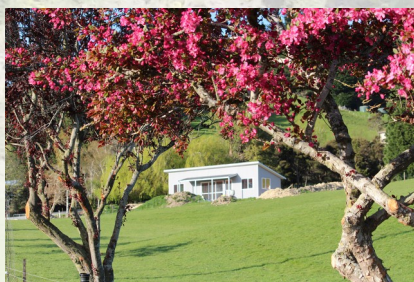

It's been quite a year here at CYC.

Our Grounds:

We had a large slip that came through in July from the hill behind our flying fox. This caused some mild chaos as we worked to tidy up the left behind debris before our busy season began. It has provided us with a lot of fill. Kevin Gray has been working to shift this, drastically changing our paths around the flying fox area, making it more accessible for vehicles and spectators. We were also offered some fill from road works carried out locally and this has allowed us to enlarge the parking area by our main hall.

The Office Build:

Our office build has come along in leaps and bounds thanks to many volunteer hours. We are just completing the Gib stopping and are hoping to be in by Christmas. Thank you to everyone who has helped out with hours and with donations towards this project.

Techno Camp:

We held Techno Camp from the 2nd of October to 6th October with 22 Teen boys in attendance. The boys had spectacular weather for this and spent many hours outside in strategic wide games as well as inside for computer gaming and computer programming lessons. Peter McGimpsey spoke at this camp and related the gospel through the theme of "levelling up" your life with Jesus. It was great to see new faces as well as familiar faces attending this camp. Please pray that God will continue to water the seeds planted during this week of fellowship.

and let us consider how to stimulate one another to love and good deeds, not forsaking our own assembling together, as is the habit of some, but encouraging one another; and all the more as you see the day drawing near.

Hebrews 10: 24-25

Ministry Co-ordinator Role:

In August, Sarah Leslie was taken on part time as our Ministry Co-ordinator at CYC. She has spent the last 2 months familiarising herself with the role and working with summer directors to help them with their programs for the upcoming camps, as well as working on promotional material for camp. She is ready to help you with any of your camping enquiries so feel free to get in touch.

Upcoming Camps

We have four awesome upcoming camps for these Summer holidays.

There are still spots available on the Adventure, Boys and Girls camps so if you know young people who would enjoy these camps please refer them to our website for enrolment: www.cycwaihola.org.nz.

We are also still looking for extra leaders for these camps so if you would like to be involved please get in touch with Sarah at the office. Also if you would like to be considered as a leader but aren't available for this camping period please register your interest with Sarah and the process can be started to having you registered on our data base.

Leader Training:

We have just launched some training online. This is a great way to start your leaders training process at CYC. Contact Sarah for more information.

*For the word of the Lord holds true,
and we can trust everything he does.
He loves whatever is just and good;
the unfailing love of the Lord fills the earth.
Psalm 33:4-5*
