

# FAMILY CAMP

**13 - 17 APRIL 2026**

## **PAUL DAVISON**

Paul has served in pastoral ministry for over 30 years, beginning with a church planting team in London. Since 1999, he has been Senior Pastor of Hastings Baptist Church. Paul is committed to the faithful ministry of God's Word, confident that God works powerfully through preaching and teaching. He has been married to Joy for nearly 40 years, and together they have four adult daughters, two sons-in-law, and two grandchildren.

## **GEOFF LLOYD**

Geoff has faithfully served as Pastor of Wyndham Evangelical Church since 2014. Originally from the UK, he worked as a history teacher before moving to New Zealand to pursue pastoral ministry. Alongside his church role, Geoff teaches Homiletics and trains students in preaching. His vibrant preaching has been a Family Camp highlight for many years.

## **NIC BLACKIE**

Nic is passionate about apologetics and has been since high school, when he first began engaging with the big questions of faith and culture. He helped lead a high school apologetics group for seven years and now serves as Schools and Camps Director for Thinking Matters. Nic preaches in churches across New Zealand and loves equipping people of all ages to think clearly about their faith and share the gospel with confidence and gentleness.
